FITTING INSTRUCTIONS & TIPS

- Test your shoes on a clean, indoor, carpeted surface
- Feet swell throughout the day, so try on your shoes at the end of the day
- Wear your work socks (the socks you will normally wear with the boots)
- You should have a thumbnail's width of room between the tip of your toe and the tip of the shoe
- Your heel should be snug and shouldn't slip
- Slightly too big is better than slightly too snug

Warson Brands is the official work footwear licensee of Reebok International, The Rockport Group, and Florsheim, Inc. companies. Warson Brands is the parent company of Iron Age and Grabbers footwear.
